Judges Meeting

The Judges Meeting will take place in the conference room of the Hotel Stern. The Meeting will start at 06:00pm. All judges and officials are requested to take part in this meeting. The handover of the Tariff Sheets of all pairs and groups take place at the judges meeting.

Gymnasts and Coaches

All gymnasts and coaches are requested to take place at the chairs which are destined for them on the right-hand side of the competition floor.

Warm-up of the sections

Given that one section consists of 10 groups/pairs there will be a Group A and a Group B for the warm-up on the competition floor. First Group A will have 3 minutes warm-up on the competition floor and afterwards Group B will have 3 minutes warm-up on the competition floor. The classification of Group A and B will be displayed on the start list.

Audience and judges

All gymnasts have to show their exercise to the side of the tribune of the audience and not to the side of the judges.

Awarding Ceremony

For the balance and dynamic routine will only be an awarding ceremony for the first three positions. The others will get their certificates with the result lists.

All gymnasts are requested to wear their competition leotards at the awarding ceremony.

Result lists and further information

There will be a lockbox for every club at the ticket desk at the entrance of the competition gym. Every club will find the final result lists in their lockbox. If there is further important information for the clubs, the organizer will put these information in the lockboxes of the clubs.

ACRO-Party on Saturday

The farewell party will take place on Saturday from 8:00pm in the old gym hall.

If you need more tickets for the ACRO-Party, you can get more tickets at the ticket desk until 01:00 pm at the entrance of the competition gym.

Awarding Ceremony

For the balance and dynamic exercise there will be an awarding ceremony on Friday as the case may be on Saturday for the first 3 positions. On Sunday there will be an awarding ceremony for all gymnasts of all age groups. The first three positions of the balance and the dynamic routine will get a medal. The overall winners (balance+dynamic+combined) will get a medal and the "small" ACRO-Cup. The "big" ACRO-Cup will be for the three best overall-results of every age group – but only the best pair/group of each country will be valued.
