## 2. Participation and size of the delegations

### 2.1 - PARTICIPATION / ACCREDITATION

Gymnasts' entries into these World Age Group Competitions can only be made by FIG affiliated federations in good standing. The maximum size of each delegation, together with the number of transferable access cards (transferable within the Federation's official delegation) is as per FIG Rules for Accreditation.

#### TRANSFERABLE ACCESS CARDS

According to the FIG Accreditation Rules, in order to access Zone 1 (competition area), all coaches, medical personnel, Team Managers and Heads of Delegations will need to present – **in conjunction with their primary accreditation card** – a Transferable Access Card (TAC). All delegations will be allocated a number of Zone 1 TACs according to the number of registered gymnasts and officials, respecting the FIG Accreditation Rules. The TACs are only transferable within the Federation's official delegation. **Lost transferrable cards will not be replaced.**

The FIG Accreditation rules have to be strictly respected. This accreditation may not be transferred during an event.

#### ADDITIONAL ACCREDITATIONS

FIG will collect and record these certificates. Please note that without this document, the accreditation of the medical personnel will not be released.

FIG reminds as well that, according to article 1.16 of the FIG Rules for Accreditation, any misuse of an accreditation (zone, time, transfer, etc.) leads to the withdrawal of the accreditation and a fine of CHF 2'500.- for each case.

The Host Federation, the Organizing Committee and the FIG will not be held responsible for any liabilities in case of accidents, illness, repatriation and the like. All participants and officials are required to wear their accreditation cards at all times. The accreditation is personal, non-transferable and compulsory to have access to the training, warm-up and competition halls, the different functions and the official transport system of the Organizing Committee. The accreditation card is also necessary to pass the security controls. If lost, a new accreditation card can be purchased for US\$ 150, with approval from the FIG. The access in the warm-up hall is strictly limited to the gymnasts participating in the specific competition and according to the warm-up schedule, with their coaches and medical staff with transferable access card.

### **3.4 - PASSPORT PHOTOS**

Together with the Nominative registration, the Delegations must forward one passport photo of each delegation member to the Organizing Committee.
