FIG GYMNASTS QUALIFIED FOR THE WORLD GAMES IN CALI (COL)

ACROBATIC GYMNASTICS – WOMEN'S PAIR

The **6 places** are allocated according to the ranking at the qualification competition (maximum 1 unit per federation) at the World Championships in Lake Buena Vista (USA), and following the qualification criteria decided by the FIG Council 2004.

Places 1 – 5 (max 1 place per federation and discipline) will be attributed to the federations according to their ranking in the qualifications of the qualifying World Championships.

Place 6 (1 FIG Wild Card per category in order of priority) will be nominated by the FIG Executive Committee in consultation with the ACRO-TC to (in order of priority):

1. Make sure the host country of the World Games is represented with one pair or group, provided it has participated at the qualifying World Championships. The place will be given to the best ranked pair or group at the qualification of the qualifying World Championships. In case of a tie, priority will be given to the pair or group which has the higher number of total participants in that category.
2. Guarantee that 4 continents are represented at the World Games. (If such a Wild Card has to be assigned, it will be given to the best ranked pair or group from the respective Continent at the qualification of the qualifying World Championships. In case of a tie, priority will be given to the pair or group which has the higher number of total participants in that category).
3. To cater for other unforeseen cases, provided the pair or group has participated at the qualifying World Championships.
